Waiver of All Claims, Release from Liability and Assumption of Risks Agreement.

To: Grey Wolf Expeditions (GW), 1811 Surgenor Rd, Black Creek, BC V9J 1G6, Canada

In consideration of GW accepting my application for participation in the kayaking/hiking/camping and adventure travel trip from _____ to _____, 2015, I agree to this release of claims, waiver of liability and assumption of risks.

On behalf of myself, my heirs, executors, successors, administrators and assigns and any other person who may have an interest at common law or by operation of statute, I hereby waive any and all claims I or such parties may have now or in the future, and release from liability GW, their directors, officers, employees, guides, agents or representatives ("the releasees") for any personal injury, death, property damage or loss or any nature suffered by me as a result in participation in any activity on the trip with GW due to any cause whatsoever including those arising out of, or in any way connected to or occasioned by the negligence of the releasees. I agree to indemnify GW for any actions, claims or expenses on my behalf. I am aware that adventure travel, camping, hiking and sea kayaking involves risks, and in addition to the usual

dangers and risks inherent in adventure travel, camping, hiking and sea kayaking there are certain additional risks, some of which include:

1. *Terrain* - Natural areas and waters are subject to natural forces, which result in obstacles and hazards. Arctic waters are cold and extended immersion can be life threatening.
2. *Isolation* - Tours are in wilderness areas, which may not be regularly patrolled. Communication may be difficult and rescue and medical treatment may not be available for hours or even days.
3. *Animals* - Hiking, camping or kayaking in natural areas may result in encounters with wild animals, which may injure, damage or capsize.
4. *Weather* - Weather may change rapidly and may be extreme, presenting significant challenges.

I acknowledge the enjoyment and challenge I receive from camping, hiking and kayaking and the wilderness experience, its isolation and the opportunity to experience wildlife and nature in a natural surrounding and state, this is my reason for participating in this trip, and I voluntarily assume all risks associated with these activities and freely waive any and all legal rights that I may have against the releasees. I am medically, physically and in all respects fit and able to participate in adventure travel. I have no medical requirement or condition except what is outlined in the Registration/Medical form. I will inform Grey Wolf Expeditions of any significant changes to my physical or medical condition prior to my trip. I agree I will be fully and financially responsible for my own physical condition and well-being during the trip and will follow the safety precautions and instructions prescribed by GW. This document is to be interpreted by the Laws of British Columbia and any action taken on behalf of the signee will be filed in the Court of Victoria.

I have read carefully and understand this agreement.
